## ‘The Dispensary’: Sir Samuel Garth’s mock

P-pe's picture in miniature, but as like as it can stare; a poem: with notes. Such documentation may also optionally be supplied for non-private-use codes, though these must remain consistent with their IETF Internet Engineering Task Force definitions.

## The Dispensary. a Poem in Six Canto's. by Sir Samuel Garth. the Fourteenth Edition.

Perhaps now that he was a landowner of some substance he could find more time to write, or to prepare what he had written for publication, as he produced a large body of work in the last decade of his life.

## Spenser, Edmund (1552?)

Eudoxus, in A View of the Present State of Ireland, tries to refute claims that the ' good Lo. Needham, according to Ponsonby's dedication, had brought them from Ireland to London, and it is possible that he also brought over the completed second edition of The Faerie Queene. A winter evening conference between neighbours.

## ‘The Dispensary’: Sir Samuel Garth’s mock

A treatise on dissolvents of the stone; and on curing the stone and gout by aliment. Book 6, the legend of Courtesy, depicts the adventures of Sir Calidore, a confused and misdirected knight who tries to give up his elusive quest for the Blatant Beast when he stumbles across a pastoral world at odds with the courtly world he is less than keen to defend.

## The Dispensary: A Poem. In Six Canto's

He was also starting to have an impact in America, and was the subject of a famous essay by the Harvard scholar James Russell Lowell 1819—1891 , who emphasized the puritan and Platonic strains in his work. The Devil's Details: A History of Footnotes, Invisible Cities Press, 2002.
