Chindits

The 1943 expedition had been a series of raids against communications by lightly armed bands, a game of ambush, booby-traps, and melting away again into the shadows. Due to an accident during the operation, the elite troops had to leave behind evidence of previously unknown, likely related at least in part to the ubiquitous UH-60 Black Hawk. For the present writer, it matters absolutely.

Wingate climbs into the co-pilot's seat as per his habit and his B-25 takes off, but allegedly never makes it over the first chain of hills. This was how he or one of his colleagues described it to me in a phone call accompanied by a warning. Two journalists, Stuart Emery of The News Chronicle and Stanley Wills of The Daily Herald, ask if they can come along on the plane and Wingate graciously agrees.

The plan was that the first wave of troop-carrying gliders should land, signaling to those following if the enemy was found to be in unexpected possession. When the wreckage was located, however, it was not on a mountain at all. She was executed in Ravensbrück concentration camp and posthumously awarded the George Cross, the highest honour given to civilians.

And who knows what would have happened after that? They owed a double debt to the doctors and medical orderlies who marched with them.

After returning to base, Rymills had to walk him to the main gate where a large sign announced: Royal Air Force, Tangmere. So began a movement, which was until the invasion of Fortress Europe the greatest airborne adventure of the war.
