## Puritan Values in American Society

He writes in the context of the French Revolution and the spread of democracy in Europe. Wertenbaker Suggested Task 2: List and explain possible reasons for the differences in the interpretations that appear above. Massachusetts History 1600-1775, Colonial period.

## The Puritan oligarchy:: The founding of American civilization

The continued immigration of colonists to New England served to multiply the number of religious denominations, which led to increased conflict. Finally, the code of ethics followed by many Americans today originated from the Baptist, Methodist, and Presbyterian faiths rather than the Puritan religion. This book was written in the early 20th century.

## Puritans

This type of state is difficult to define, but ends up with an oligarchy. This article was originally published in 2009.

## Review: [Untitled] on JSTOR

Worlds of Wonder Days of Judgment: Popular Religious Beliefs in Early New England.

## Review: [Untitled] on JSTOR

Covers show edge wear with rubbing and creases. This 1884 engraving by Thomas Gold depicts a Puritan couple walking to church in the snow.
