## South Africa: Study Shows Land Redistribution Can Create New Jobs in Agriculture in South Africa

Launched by Ovambo contract workers, SWAPO came to represent most Black South West Africans in opposing apartheid, racial inequalities, and economic subordination to South Africa. Delivery systems should aim to maximise job creation, the use of local materials, and local income generation and training.

It is recorded that less than eight percent of the land has been redistributed.

## Land Redistribution: A Case for Land Reform in South Africa

Hence the development of Europe can be viewed as part of the same dialectical processes that underdeveloped Africa. The ANC is committed to carrying out these programmes with the support of its allies and our people. War first erupted in Angola in 1961, in a series of apparently unconnected uprisings.

**Allan Gray**

This ruling elite used its domination of the state and land to accumulate wealth in close collaboration with foreign mainly South African investors. Privately-owned hostels must be given particular attention.
