She had been working on what was going to be her first novel, which was to be a present for her father. I do not mean in sensational adventures but in rather odd and difficult personal relationships largely due to their family background and their incomplete understanding of their own natures. The story was found unfinished by officials at her Catholic school and she was then expelled from the school without being given the opportunity to explain her book.

Antonia White (Author of Frost in May)

As with her previous work, the trilogy was fictional, but mainly autobiographical. Although she is remembered as a modernist writer, she developed a terrible fear of writing after a misunderstanding when she was 15.

She immediately fell in love again with a man named Robert, who was an officer in the Scots Guards. They never married, and their relationship was brief but intense, which led to her experiencing a severe mental breakdown. Although Antonia White returned to Church, these letters record the conflicts which preceded and followed this reconversion.
