What role does mass media play? They may need motivational support and help to stay abreast in the rapidly changing digital climate. Hence this research explores three of the six types described by Kaplan and Haenlein Tab.

## 15.2 Functions and Theories of Mass Communication

For example, we change our clothes and our plans because we watch the forecast on the Weather Channel, look up information about a band and sample their music after we see them perform on a television show, or stop eating melons after we hear about a salmonella outbreak.
