## **Economic Models and Policy Analysis in Higher Education: A Diagrammatic Exposition**

To the extent that current mortality patterns reflect health care in previous years, life expectancy will be historically determined and unaffected by current health spending. Primary education in Togo received 41 percent of the 1995 education budget, even though primary school enrollment accounted for 83 percent of the school population. Comparing efficiency within Africa shows that in at least two time periods, the efficiency of education spending is relatively high in Ghana and Togo—with an average annual spending of 4.

## **The Efficiency of Government Expenditure : The Efficiency of Government Expenditure : Experiences From Africa:**

Examples: One of Company D's threats is the high probability of increased governmental regulation. E4 Elective IV 3 0 0 3 7. Schiffman and Leslie Lasar Kanuk, Consumer Behavior, Pearson Education, India, 2002.
