## Kitāb al

What occurs in reality is that the Islamist is able to attract a following of like-minded people, closet aristocrats who, just like Marxists, think they should think for the benefit of everyone else and make their decisions for them. Click on the different category headings to find out more.

## Texts and Studies on the Qur'ān

And when you are this close to God, you will stop worrying much about your worldly failures and concerns. It is very common for us to feel this way, but it is the wrong attitude to have.

## Tafsīr al

Saying that a free-willed decision is knowable before it is made may be as nonsensical as saying that God can make a 4-sided triangle, or that He can make an object so heavy that He Himself cannot move it. He therefore concluded that humans only appear to be free-willed. The image used, which depicts the letter alif lām mīm from Q.

## Tafsīr al

What links these texts is the concept of beauty. My view of future nations is the same. This work has thereafter been commentated on numerous times by many scholars and served as a textbook in many traditional curriculums.

## The Disconnected Letters
