### The Reader's encyclopedia of the American West (1977 edition)

In the first years of the Depression, private institutions, especially the Community Chest, the , and church-related groups, raised record amounts to meet the needs. What did they do for fun? East of the Rocky Mountains is the Great Plains, the western portions for example, the eastern half of Colorado of which are generally considered to be part of the western United States.

### Encyclopedia of Women in the American West

Robert Marshall Utley is an author and historian who has written sixteen books on the history of the American West. Marches of the unemployed occurred in the larger cities, but violence was rare. This volume reflects those efforts as well as the substantial growth of contemporary writings.

### Albert Bierstadt: Landscapes of the American West

Despite the fact that this legislation restored tribal autonomy, not all Indian groups approved. Most of them have highly individualistic cultures, and have worked to balance the interests of urban development, recreation, and the environment.

### Encyclopedia of Politics of the American West

This inspiring book created just for you offers contemporary prayers that are brief but bold enough to have life-changing. The fence cutting wars were at an end.

### Book Review: The New Encyclopedia of the American West (edited and annotated by Carol Lynn MacGregor) : WW

The population growth, mostly in the states of , , , and , has strained water and power resources, with water diverted from agricultural uses to major population centers, such as the and.

### Encyclopedia of Immigration and Migration in the American West

The cattle had to be coaxed into the water, and if they were spooked the entire herd might panic and turn back, or drown themselves swimming in circles.

### **Encyclopedia of the American West by Robert M. Utley**

The Pacific Slope: A History of California, Oregon, Washington, Idaho, Utah, and Nevada. But his fists were no defense against the ax a disgruntled farmer used to chop off Smith's head when Smith came to arrest him one night in November 1870.

### **American Indians: Far West**

But what troubled the non-fencing cattlemen most was that the fencers were enclosing public water sources and keeping others from grazing cattle on public land. Reddy, California after Arnold 2009 pp. As a port city, saw a rapid influx of immigrants from around the world.
