Les Mains Sales: Sartre, Jean

Olga listens to Hugo's version of events. At the same time though, it's impossible to hate him because his mind's complexity makes him very attached to his integrity. Structured as a flashback, we come to learn of the reasoning behind the murder of a political leader within the fictional context of a country riddled with political unrest, a parallel of the conflicting ideologies of Nazism and communism.

Although I may not agree with the philosophy, I can honestly say that I can see what the attitudes come from. Ici, Sartre plonge ses personnages, Hoederer, Hugo et Jessica, dans une situation où les jeux ne sont pas faits, celle de la Guerre froide. Do I betray my French education background with English Rs and risk sounding stupid, or do I act like a tool by pronouncing it with what I know is right, the French Rrrrs? Zustand: gut, Eintrag auf Deckel Inszenierung: Dietrich W.

And what else should one do? Both are portrayed sympathetically and it is hard to say who is the protagonist or antagonist in this play. And what else should one do? Despite its bourgeois origins, Hugo joined a Communist Party that tries to fight against Nazism, and to gain recognition and trust of his peers, must accept a delicate mission: the assassination of Hoederer, a leader of the party accused collusion with the bourgeoisie. His first play, *The Flies* 1943, was produced during the German occupation, despite its underlying message of defiance.

See, they both want to explain philosophy to you, but they're trying to make it more fun by turning it into a story. Eighteen years later in 2000 it was performed again in Britain under the title of The Novice, starring as Hugo and as Hoederer. It was first performed on 2 April 1948 at the Theater Antoine in Paris.
