Irenaeus of Lyons, Against Heresies / Adversus Haereses, Book 5 (Roberts

Irenaeus returned to France after the persecution had subsided, and he was made bishop of Lyons in 178, replacing the previous bishop, who had died or been killed in the persecution. And vain likewise are those who say that God came to those things which did not belong to Him, as if covetous of another's property; in order that He might deliver up that man who had been created by another, to that God who had neither made nor formed anything, but who also was deprived from the beginning of His own proper formation of men. Now the commandment was given to man by the Word.

Who was Saint Irenaeus of Lyons?

The succession of bishops and presbyters was important to establish a chain of custody for orthodoxy.

Irenaeus of Lyon

Irenaeus also provides the first explicit witness to a four-fold gospel canon.

Irenaeus of Lyons, Against Heresies / Adversus Haereses, Book 5 (Roberts

If any one shall lead into captivity, he shall go into captivity. From a purely historical point of view, Against Heresies is still considered the best analysis of Gnosticism from an eyewitness. But the being lifted up against God, and taking His glory to one's self, rendering man ungrateful, has brought much evil upon him.
