Were people actually dying of hunger in the Dust Bowl during the '30s? A fiery document of protest and compassion, as a story that had to be told, as a book that must be read. The film was nominated for seven Academy Awards, and took home two Oscars—Ford as Best Director; Darwell as Best Supporting Actress. If I can keep an honesty it is all I can expect of my poor brain.

I tried to write this book the way lives are being lived not the way books are written. I am pushing against it all the time.

### The Grapes of Wrath: Text and Criticism by Steinbeck, John (Paperback)

Maybe the squalid pallor and rancid prejudice experienced by the Joad family wasn't the average migrant family's ordeal, but I have no doubts that there are elements of migrant families lives pieced together. History surrounds fiction; fiction embeds history. Although Steinbeck could not have predicted its success and was nearly ruined by its roller-coaster notoriety, the fact is that, in the past six-plus decades, The Grapes of Wrath has sold more than fifteen million copies and currently sells annually 150,000 copies.
