### ALEVİ KAYNAKLARI

II , though Alevi followers living in cities tend to practise their faith in private The Economist 19 Mar.

#### Alevi Kaynakları 1 Nejat Birdoğan

Alevis also donate money to be used to help the poor, to support the religious, educational and cultural activities of Alevi centers and organizations dergâh, vakıf, dernek , and to provide scholarships for students. Also included are hymns nefes by figures such as or , stories of and other lore. Aenean lobortis lectus quis eros gravida porttitor.

#### Alevi Kaynakları 1 Nejat Birdoğan

Bektashis base their practices and rituals on their non-orthodox and and understanding of the and the prophetic practice. This system apparently originated with Safavid. Religion lost its relevancy and even intermarriage was practiced by some.

#### Alevi Kaynakları 1 Nejat Birdoğan

The Alevis for their part, encouraged by the weakening of the Soviet block and revived claims for minority recognition around the world, pressed for increased recognition in Turkish society. LOL pardon shamanic shabbat ahahhahaa according to haters People in Turkey who are antisemite call this ritual of us as infidel and group sex.

#### Alevi Kaynakları 1 Nejat Birdoğan

Alevi-Bektaşî inancının yüzyıllar öncesine uzanan köklerini, her kesinden araştırmacı ve okura sunuyoruz.

### Refworld

Along with other marginalized groups Alevis increased their political activism and fought for equality and official recognition of Alevism as an Islamic community with its special characteristics, for legalization of its religious ritual and practice, for integration of Alevi doctrine in the state

education system, and for allotment of a fair share in the media.
