Who knew that an early form of Kevlar could have saved President McKinley if only he'd worn the sample sent to him by an inventor? Fay, had designed a clip that was meant to be used to fasten tickets to articles of clothing.

**The Story Behind: The Extraordinary History Behind Ordinary Objects by Emily Prokop**

I wanted to like this.

**Read The Story Behind Online by Emily Prokop**

Luckily, she was able to combine her passions for trivia and podcasting when she created The Story Behind podcast in 2016 and wrote a book based on it in 2018.

Table of Contents SAMPLE ENTRIES plus much more! How a socialite invented the dishwasher because servants too frequently broke her expensive china. Vaaler's design, created in 1899, was more like a rectangular version of the paper clip we know today, but with the inner loop removed.

**Extraordinary Stories Behind the Invention of Ordinary Things: Amazon.metrics.learnindialearn.in: Wulffson, Don L., Doty, Roy: 9780688519780: Books**

Or that the inventor of the Slinky left his wife and six kids to join a cult in Bolivia? Everyday objects and major events in history: Every single thing

that surrounds us has a story behind it.

Finally, if you are looking for a fun gift for readers of any type, or even something for yourself that is easy to read in quick bites, this book is definitely for you. Learn the fascinating discovery stories behind over 500 phenomena, including: How chewing gum and Silly Putty began as substitutes for rubber. I can't recommend this book enough! Not only that, but portions of the book have also become very outdated.
