Thomas Gainsborough 1727

Gainsborough emphasised the relationship between Mrs Douglas and her environment by painting the clouds behind her and the drapery billowing across her lap with similar silvery violet tones and fluid brushstrokes. The Chesterfield Canal falls into the Trent at Keadby, a few miles below Gainsborough. Some others disagree with this explanation due to the fact that the artist knew the duo personally in that Mrs.

English School, circa 1770 after Thomas Gainsborough (British, 1727

Even in this we were no better than we ought to be: landscape was a lowly genre, some way below the salt, while history painting with its moral and didactic qualities lorded it at the head of the table. After passing through a number of families, in 1599, Lord BURGH sold the manor to William HICKMAN of London.

Thomas Gainsborough

Only ten of these works withstood the test of time.

Thomas Gainsborough Biography

Though England continued to produce active movements, truly innovative development passed to other centres. Andrew's Church in Bulmer, whilst a memorial to them hangs in the church itself.
