## ICE Deploys New Weapon Against Dangerous Sanctuary Laws by Dale Wilcox

Meanwhile, there is an ever-growing number of people who have been victimized or killed by aliens who should have been deported, but were allowed to stay and commit crimes because they were shielded by sanctuary laws. The heroine is a fucking bitch on wheels. My review today is on the Love Inspired Suspense, Dangerous Sanctuary.

## Dangerous Sanctuary by Anne Mather

We find out that the brother died in the apartment of a man who was gay and that he died of an illegal drug overdose. After sanctuary laws protected him from arrest by ICE, he dumped the same woman out of her wheelchair and assaulted her in front of her 3-year-old son.

## Sanctuary city policies are a threat to decent people

She wakes up when a man calls her name. Later, the cat is joined, improbably, by a pig and a kangaroo well, wallaby. The action is fast paced and will have you turning the pages to see what is happening next.

## Dangerous Sanctuary by Michelle Diener

Now his nearness was threatening to destroy all her hard—won independence.

## Dangerous Sanctuary by Lois Richer

Instead she hedges the truth by explaining that she got pregnant by a married man who wouldn't leave his wife for her. It's filled with faith and I love that. Its spire was one of the highest in Europe.

## Dangerous Sanctuary by Anne Mather

You see it in the way Honor and Radley talk to each other plus the people they relate to. Immigration subpoenas do not provide the higher safety of a jail transfer, but they have proven effective at removing dangerous criminal aliens from communities.

### **DANGEROUS SANCTUARY Archives**

We love educating Americans about how their government works too! So needless to say, i won't be reading romances any more. It soon becomes very clear that the H is interested in his son and in taking up where he left off with the h after he helped her escape from his brother's abusive grasp.
