## Inside Scoop Politics — DC Insider News for Main Street America

Also need to create jobs, and fund more unemployment. Hill, Virginia Training and maneuver center.

## Donald Trump VETOES Defense Bill because it strips Confederate names from bases

But she is very wrong even if her father can pay whatever Ransom her abductor demands but a whole lot of damage would have been done to her before regaining her freedom. Renamed from Ozark Triangular Division Camp in 1942 for Brigadier General Edmund Rucker Rucker volunteered as a private and rose quickly, playing a key role at the Confederate victory at Chickamauga but was captured and freed in a prisoner swap organized by Nathan Bedford Forrest.

## The gun nuts who stormed the Capitol proved that gun control works

When Henry did finally split from Catherine, establish the Church of England and marry Anne Boleyn, these actions forced him to declare Mary illegitimate a bastard : she was stripped of her household and servants and eventually sent to wait on her new half sister, the baby Princess Elizabeth. Renamed for Confederate general P. And we certainly don't want our jobs and businesses taken from us only to provide a handout to every other country on Earth.

## Putin drags Alexei Navalny back into court again

The queen of gun nuts, Boebert. As people are suffering from the government-imposed shutdowns across the United States, Congress finally came together to use your tax dollars to pay a whole list of foreign nations. In comments to Borrell at the start of the talks, Lavrov said Russia was 'ready to answer any questions'.
