Afghanistan has a history of more than six thousand years, with many historical sites and attractions, among these are the more than two thousand year old famous Buddha Statues, the tomb of Hazrate Ali the blue mosque in Mazar-e Sharif, the ancient city of Balkh known as Ummol-Belad Mother of Cities to Arabs and Bacteria to Macedonians, the lakes of Band-e Amir, the deep lapis lazuli blue water. So instead of actually pursuing a relationship with you which likely has a great chance of success, I'd rather try to pursue some dick who is lacking even the most basic level of moral decency and whom I could never possibly maintain a friendship with, let alone a serious relationship! Why you trickin on them other hoes? I visited Kabul, Panshir Valley, Herat and Mazar.

Before coming, I only knew that Noor had organized before the trip of one of my friends. Tripadvisor does not recognize this as a trusted domain.
