All of the poems deal with the Romani people and their culture. Life and career Early years.

García Lorca for beginners (2000 edition)

A rare book for little one's containing 25 of Lorca's poems; all the rarer too for being bilingual, thereby making this a wonderful introduction to both Spanish and English speaking children of the magic and genius that was not only Spain's but one of the world's greatest writers of the twentieth century; a book that is sure to delight.
