### Yes discography

This would be the last album to feature Billy Sherwood, who saw his role in Yes as creating and performing new music. Disgruntled at the way a potential studio album had been sacrificed in favour of the Keys to Ascension releases as well as the way in which a Yes tour was being arranged without his input or agreement, Wakeman left the group again.

### Yes discography

The results of the sessions were released in November 1997 as the seventeenth Yes studio album, on the Beyond Music label, who ensured that the group had greater control in packaging and naming. The band retreated to a rented farmhouse in to write and rehearse new songs for their following album. Retrieved 11 April 2019 — via.

### yesofficial

Schellen continues to play as a second drummer to support White, who has had a bacterial infection in his joints since November 2017.

### YES Discography

This was followed by Drama and sides one and four of performed across North America between July—September.
