What Men Owe to Women: Men's Voices from World Religions by John C. Raines

So while Kristof rightly sees new opportunities for women among some Pentecostal churches, the long view is that these opportunities will be short-lived, and these churches will at some point revert to being the patriarchal institutions they have historically been, with women, again, doing all the work, while the men take all the credit. How do you think she would respond to someone like Aimee Semple McPherson Document 26? Phyllis Wheatley, Selected Poems, 1770—1775 A.

The Long View of Women's Roles in Religion

What critique does she offer of her persecutors? A pretty safe rule of thumb would be that women do all the work, while men take all the credit. Woman becomes his friend; and because of woman, the future generations continue.

WOMEN'S DIGNITY

According to locals, the motorbike has mystical powers because it mysteriously reappeared several times at the crash site after the police took it

away. The 1993 Parliament endorsed a Global Ethic with four Irrevocable Directives, including the Commitment to a Culture of Equal Rights and Partnership Between Men and Women.

Religion holds women back. Or does it?

What Men Owe to Women brings together a distinguished group of male scholars to address gender justice in world religions. In Taoism, for example, ultimate reality is feminine, and what is seen as truly powerful is what adapts and adjusts. I am indebted to David and Ellen Tucker for their years of friendship and deep discussion of the place of religious believers of all kinds in the American tradition and to the Ashbrook Center, for supporting the work we do in the.
