### Table of contents for How funding instability affects Army programs

This requires relatively large training organizations staffed with the highest quality instructors, facilities, and equipment. For many federal agencies, a CR is inconvenient but not damaging.

### How Funding Instability Affects Army Programs

Priorities are often changing and many donors and partners are reviewing their relationships. We rely on the generosity of

Army rapidly increased in size. They are also utilising reserve funds to cover any shortfalls.

### **The Impact of a Declining Defense Budget on Combat Readiness**

Regardless of service, combat organizations are designed to accomplish a specific range of tasks. Sixty-five per cent of respondents to our survey say their organisation has experienced an increased in demand for services as a result of the economic downturn. A third expect fundraising to increase in areas such as regular giving, online donations and event fundraising.

### **The Next National Defense Strategy Will Be Shaped by Post**

The End of BCA Leads to Greater Uncertainty Under the BCA, Congress and the White House negotiated five separate budget agreements. One respondent indicated an increase in referrals from other NFPs and government agencies such as Centrelink. The ADAPT course is 12 hours of material IAW AR 600-85.

### **Grant Programs**

NFP organisations with longer-term integrated partnerships, or dynamic and sophisticated relationships with businesses, report that these agreements and contracts are being renewed. Philanthropic trusts and foundations About 42 per cent of respondents to our survey indicated that funding from philanthropic trusts and foundations had decreased in the last year.
