Bob Chaplin (b.1947)

The parterre is designed to be experienced up-close and visitors are encouraged to walk through it.

A Natural Parterre: An Environmental Garden Art Installation by Bob Chaplin

The are open daily from 7:30 am—5:30 pm. Plant species will naturally come and go in the unowned areas, aided by the wind, birds and seed-carrying mammals. New seeds deposited by nature will gradually add diversity to the parterre, offering a visual progression from annuals to perennials, to shrubs and trees.

Bob Chaplin (b.1947)

Bob Chaplin moved from England to the United States in 1986. A New Site-Specific Artwork at Hill-Stead In the fall of 2018, landscape artist Bob Chaplin began the installation of A Natural Parterre on the grounds of Hill-Stead Museum.

A Natural Parterre: An Environmental Garden Art Installation by Bob Chaplin

The outlined garden sections between the pathways will not be planted like a traditional parterre and will not be mowed. It is an integral part of the art I create.

Bob Chaplin (b.1947)

I can also create an original painting of your favorite celebrity, a loved one, or you! He lived in London and later in New York. Just a mere 40-year warm-up period : Don't get me wrong.

Bob Chaplin

The initial idea of the French parterre garden, with carefully designed plots and walkways, was to present an artistic pattern when seen from above. .

Bob Chaplin (b.1947)

It is imperative that I encourage the general public and local students to observe the processes of change within the project. The 1901 house and its period rooms are open for Wednesday through Sunday, 10 am to 4 pm.
