Community Probation Practice Centre

This essay will discuss the changing landscape of criminal sentencing; detail the risks, needs and responsivity principles of evidence-based sentencing; describe the application of evidence-based sentencing in Virginia and Wisconsin; and discuss issues important for implementation.

Evidence

As part of the submission process you will be required to warrant that you are submitting your original work, that you have the rights in the work, that you are submitting the work for first publication in the Journal and that it is not being considered for publication elsewhere and has not already been published elsewhere, and that you have obtained and can supply all necessary permissions for the reproduction of any copyright works not owned by you.

Evidence

You must not go to, or remain at, a place for the primary purpose of observing or contacting children under the age of 18. These offenders are recommended for some form of less restrictive, alternative punishment.

Probation and Social Work

While probation is a sentence used in place of jail time, often used for first time and non-violent offenders, parole is supervised release of an individual who has already served jail or prison time. These details must match what appears on your manuscript. In practice, not every violation of parole conditions automatically leads to revocation.

Probation Journal

Evidence-based sentencing is guided by the principles of risk, needs and responsivity. History of Probation Probation dates back to English common law, when the court had the authority to suspend an execution, while a convicted criminal appealed to the monarch for a pardon. Probation Conditions Probation conditions vary greatly depending on the , and by the offense of which the individual was convicted.
