Postdoctor Fellow Position in Sweden, University of Gothenburg, Sweden

This means that students have somewhat less teacher-led time than is usual elsewhere.

How to do research in Sweden

Our previous post listed some of the top research institutions and labs in. What is research If someone asked me seven months back to associate few words with education, then I would say textbooks and exams. Applicants to higher education must always have completed their upper secondary education, but they can apply on the basis of their test results instead of their final school grades.

Residence permits for researchers

These questions have been getting more attention lately, as commercial interest in stem cell research is booming. Supports research on heart and lung diseases.

Postdoctor Fellow Position in Sweden, University of Gothenburg, Sweden

The first programme awards grants through the Swedish Institute and totals SEK 100 million a year.

Residence permit after research

A government agency working on behalf of the Swedish parliament and government, with the mission to reduce poverty in the world. Equality in focus Sweden is recognised as one of the most equal countries in the world.
