## Appointment With Death by Agatha Christie

Later, when Nanny Taylor has a mental breakdown, Dr Gerard gives her mind-altering drugs and drives her to suicide after forcing her to relive her past, making her feel guilty for delivering the beatings and punishments that Lady Boynton had ordered for her children. A tiny puncture mark on her wrist was the only sign of the fatal injection that had killed her. First, Dame Celia injects Lady Boynton with a drug that would slowly paralyze her, doing so under the pretense of swatting away a hornet.
