## Why Did Cain Kill Abel?

Although men dominated society during this time, that didn't stop Amelia Lanier from stating her views loud and clear on women and how it wasn't Eve's fault at all and even There was a stereotype going on during this time that women were weaker and less intellectual so Eve couldn't have known any better and couldn't discern from right and wrong. The story also recounts how the woman, whom Adam subsequently named Eve, was disobedient and succumbed to temptation the result of which was the expulsion of both Adam and Eve from the Garden of Eden.

. This story suggests, then, that humans are different from all other animals because they recognize the importance of morality.

## Ssay Towards a New and Better Society

Moreover, nothing explicit in the Torah connects the killing of Abel with the previous story about sacrifices. Through a subjective line of argumentation, the aim of this essay is to present a personal understanding of the topic, answering the question given in a purely subjective matter. In the book, Ishmael, the topic on religion initiated a handful of controversial remarks.
