Boland Amendment -- prohibiting U. May 1, 1993 The costs of influenza vaccine and its administration became a covered benefit under Medicare Part B.

Covid

In essence, Shultz's testimony centered more on what he did not know than on what he did; it laid the groundwork for the widely held misperception that he and other Department of State officials were largely ignorant of the Iran arms shipments. Contrary to Weinberger's assertions, a small group of senior civilian officials and military officers in the Department of Defense, comprised of Secretary of Defense Caspar W.

The Iran

The PMA reference number will remain the same.
