That convoluted mission allows director Christopher Nolan to dip his toe into international spy-craft, a genre that meshes well with his logistics-obsessed filmmaking style, and string together a number of wildly impressive set-pieces, including a raid on an opera house, a heist that involves crashing an airplane, and a ridiculous desert siege built upon a handful of conceptual gimmicks I still don't understand. So, you can also watch one of the best motivational movies. My chest tightens and my jaw clenches now even just thinking about it—I think partially because it feels like it could happen to anyone.
