## Rural Teachers in Canada

The WKTEP program has been great! History of the County of Lennox and Addington. Rural districts often have much less support from the community.

## Rural property for sale Ontario

As students return to school this year, many will be in one of the more than 100,000 classrooms across the country staffed by an instructor not fully qualified to teach. Perhaps the most important factor connected to their transiency and low wages — especially amongst women — was that their teaching was viewed as a temporary measure before leaving to marry, have children and work in their own homes. Toronto: Educational Book, Limited, 1930.

## Ontario announces new rural education strategy

If you are wondering if this program is for you please reach out to Jamie O'Callaghan at for more information.

## Rural Teacher Education

This historical report will examine the conditions of education in rural Ontario schoolhouses, and the individuals that shaped this environment — the school teacher and his or her pupils.
