Actinotherapy Technique

. Of the 920 references given, a large portion refer to reliable research, while others are of doubtful value. More than half the book is devoted to indications and technic.

Actinotherapy Technique

May be very minimal identifying marks on the inside cover.

Magendiätetik für Gesunde und Kranke, unter besonderer Berücksichtigung der krankhaften Zustände des Nervensystems, der Lunge, Leber, Herz und Darmkanal, für Aerzte und Laien.

Author s : Michaelis, David Hermann Title s : *Magendiätetik für Gesunde und Kranke, unter besonderer Berücksichtigung der krankhaften*

Zustände des Nervensystems, der Lunge, Leber, Herz und Darmkanal, für Aerzte und Laien. Like New: A book that looks new but has been read. The book is divided into three parts: Part I contains five chapters, one a good but short chapter of physical data on mercury vapor lamps; another a mediocre discussion on physiologic effects; two mediocre chapters on ultraviolet dosage, and a short chapter on luminous heat and infra-red rays.

Magendiätetik für Gesunde und Kranke, unter besonderer Berücksichtigung der krankhaften Zustände des Nervensystems, der Lunge, Leber, Herz und Darmkanal, für Aerzte und Laien.

Many of the indications and statements are not accepted by the medical profession. Between abscesses and xanthoma there are more than 200 indications given for the use of ultraviolet radiation. .
