It is also discussed in other conspiracy works such as 's Occult Theocracy 1933 , which ties it to the.

All writings of Mirza Ghalib

There is a dispute, even in traditional Judaism, about whether this prohibited group of men should include those who have become, at some point since their birth, emasculated as the result of a disease. The theme originated with , a Russian Jew who had a falling out with qahal tax-agents and to get revenge - converted to and then the , authoring polemics against the and the qahal. It prepared the groundwork for , and the word qahal features in that text.
