But there are also things that Bodde gets terribly wrong.

Peking Diary 1948 a Year Revolution

But instead of trying to get the inflation under control, the Nationalists try to pass it off as fake news. Mao Tse-tung created a Communist force in the rural and mountainous regions that grew on this unhappiness and drew the Nationalists into a civil war. Workers of all trades were brought together under unions.

Peking Diary: A Year Of Revolution by Derk Bodde

With the supply of food dwindling, the regions under the Nationalists experienced hyper-inflation.

Book Review

. The Communists fed on the increasing economic disparity, promised a classless society and an end to feudalism in rural areas. In the early part of the 20th century, Dr.

Book Review

Peking Diary generally portrays the Chinese Communist Party in a positive light, but there are moments when Bodde is rather prescient about the hidden dangers of the Party. It gives an interesting glimpse of what it was like the last year of the KMT control in Beijing, and the transition to the People's Republic of China, as well as how U.
