## Neighborhoods and regeneration

Third, the Korean economy, even more so than the Japanese, relies exceedingly on export; hence excessive investment in export industries increases its vulnerability to exogenous shocks. One example of an initiative of this sort is the Liberal Arts Consortium for Online Learning LACOL, which has brought together some of the leading US liberal arts colleges to explore these technologies.

## Edwin Chadwick

CREME is closely related to DMEE in the conduct of research across the full range of energy economics topics and issues, and it facilitates research collaboration across the University and externally. The suggestion here is not that ministry officials wilfully misrepresented the sociological research.
