## 10 Things You May Not Know About Captain James Cook

Dispossessed of much of their best land by postwar confiscations and then the mendacities of the native Land Court, many Maori suddenly found themselves obliged to work for Pakeha farmers and businessmen. That idea inevitably raised the question of the strategic importance of our region.

## Free Maori Essays and Papers

Not only is it factually incorrect French testing did not stop immediately after the flotilla, but continued until 1996 , it distorts the truth about the campaign against nuclear testing in the Pacific. It couldn't get anyone to come to a place, that while beautiful, was an hour from the closest supermarket or petrol station.

## This Steinlager ad distorts the truth about anti

According to the second article of the Treaty, land could only be sold to the Crown if the owners wished to sell them. All of this the ad ignores.

## 10 Things You May Not Know About Captain James Cook

By the end of the 1860s at least fifty ships were working full-time to supply the plantations of Queensland and Fiji with labourers.
