## CATHOLIC ENCYCLOPEDIA: St. John of the Cross

John is the one who apparently coined the phrase , where he was stripped of all material and social consolations, he was visited with heavenly consolations and composed many of his poems for which, later on, he wrote commentaries for his celebrated spiritual masterpieces. Thomas Aquinas, as almost every page of his works proves. And when at length, after each of my visits, we have had to part, we have continued our labours by correspondence, shaking hands, as it were, 'over a vast' and embracing 'from the ends of opposd winds.

This is nowhere more noticeable than in the Dark Night. In addition, John divides the five books of the Ascent-Dark Night into the active and passive dark nights of sense and spirit to indicate the complimentary activity of both God and the human person in purifying the person for divine union. They are easy chapters to understand, and of great practical utility, comparable to those in the first book of the Ascent which deal with the active purgation of the desires of sense.
