The produgal,and other poems, : Miller, Francesca Falk, 1888

A family Christmas rife with familial tension and sibling rivalry is shattered by an act of horrific violence, and for one family member especially, things quickly spiral out of control. I really don't think there's any po I think the stories in this collection are brilliant and they reveal a massive amount about human nature and life. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Psalms of the produgal, and other poems : Sullivan, A. M. (Aloysius Michael), 1896

I decided to just browse a bit on the first story, where the book gets it title.

This is likely to be lethal, so Clara seeks the odd man she met, the Doctor. The chemistry is devious, but the simplification is that the body uses oxidants to fight cancer, and if you block those, the cancer flourishes. Granted, a good writer is a good writer, but many simply prove more adept at one or the other.

Psalms of the produgal, and other poems : Sullivan, A. M. (Aloysius Michael), 1896

While these three stand out for this reader, the others held my interest, and I couldn't stop reading until I'd finished each one in a single sitting. And I know the story will stay with this reader far into the future as well.
