The question is: where do we situate the starting point of fiction? Simultaneously in the story, Wei Bu is seen to have woken up in his room in another building where his father is complaining about a garbage smell outside the window. .

An Elephant Sitting Still

The confused Li Kai claims he is proud of himself and tells Wei he never posted the video of Huang and the vice-dean, which disgusts Wei who leaves him be. But how can one protect a person constantly surrounded by a storm? We cannot accept requests earlier than 2 months before the publication date. Paradoxalement la force de cet « éléphant se tenant tranquille » est de ne jamais se tenir tranquille.
