## Catalog Record: Rural architecture. Being a complete...

The long layout of the ranch also allows for an easy division between living and sleeping spaces. The neighbouring study has a more cosy and intimate feel with exposed ceiling beams and beautiful period features of the 1600s including a spice cupboard and open fire. Everything that was found in the original home was preserved.

## Abandoned farms for sale to escape to the country

Ranch homes embraced a less-formal lifestyle and have open and free-flowing floor plans. This farm outbuilding is a long slated lofted outbuilding. It should almost go without saying that rocking chairs on a farmhouse porch are a must.

## This 600

This traditional upland hill farm is in need of updating but what an incredible spot to do a renovation project. Its origins date back to the 17th century when European settlers built their homes inspired by the architecture of their countries.

## Victorian Style Houses in 19th Century America

The unusual site with a secluded meadow in front and wide mountain views behind, the charming cottage details, and the long front hall with interesting vistas all captivated his eye. To this day, the farmhouse is no longer attached to the barn as generations of New England farmhouses grew to be, but rather sits at right angles to the present barn.

## Coullabus Farmhouse and Cottage, Isle of Islay, Argyll and Bute, PA44 7PX

To assure that the farm remained intact, in 1991, the Batchelders entered into a unique arrangement whereby and the own the conservation and

preservation restriction placed on Moraine Farm by the owners.

### **Lewis Allen**

Example of a Colonial Home Initially built in the 1940s, this Colonial home was purchased by its homeowners because they were enticed by its large private backyard and an outdoor pool. In 1979, the first Christmas tree seedlings were planted.
