The disappearance of Hindu practices during the Guru period and the revolutionary period has been evident and their re-appearance in the 19th Century among some sections of the neo-converts is understandable. One of them says that the three pillars of Sikh faith are Simran remembrance of the Creator and Hukam or His commands, Sach truthfulness, and Seva service.

**PPT**

Due to their influence, the Shiromani Gurdwara Prabanthak Committee sent Missionaries to Kerala.

### Fundamentals of Sikhism

He preached his message throughout the Indian subcontinent, Middle East, Afghanistan, Tibet, parts of China and Sri Lanka. Sikh society alone went through this fire of turbulations and trials.

### 10 Beliefs of Sikhism Religion

The poor and the rich sit together, as do the high and the low caste. Sikh culture is heavily influenced by militaristic motifs, with being the most obvious; the majority of Sikh artifacts, independent of the relics of the, have a military theme. Through the teachings of the Sikh Missionaries the so-called lower caste people found new hope and future in their life.

### Institute of Sikh Studies, Chandigarh

How does the mind become pure? Minhas, the Chief Advisor of the gurdwara that you refer in this article is my father who retired from the Indian navy as Commander and is settled in Jalandhar, Punjab. Guru is the sole Channel to Nam.
