Poems of George Meredith by George Meredith

It was in these capacities that his influence was felt.

Selected poems / by George Meredith

His first volume of poems appeared in 1851 and received the praises of Tennyson. O and naked of her, all dust, The majestic Mother and Nurse. The books reflect the complex and changing role of literature in society, ranging from Bardic poetry to Victorian verse.

Selected poems of George Meredith : Meredith, George, 1828

Modern Love 1862 , a series of 50 connected poems, reflects his own experience in relating the tragic dissolution of a marriage. George Meredith 1828-1909 is best known as the author of The Egoist and Diana of the Crossways. The trenchancy was characteristic of his critical perspective on an age disoriented by a prosperity which had entailed severe moral and spiritual losses.

George Meredith

THE DAY OF THE DAUGHTER OF HADES I He who has looked upon Earth Deeper than flower and fruit, Losing some hue of his mirth, As the tree striking rock at the root, Unto him shall the marvellous tale Of Callistes more humanly come With the touch on his breast than a hail From the markets that hum. The trenchancy was characteristic of his critical perspective on an age disoriented by a prosperity which had entailed severe moral and spiritual losses. .

Selected poems (Book, 1962) [metrics.learnindialearn.in]

Not always easy understanding Meredith's archaic verse, typical of poetry of this time, but worth the effort in this case. He began his career as a free-lance journalist, contributing to newspapers and magazines in London.
