Your Pregnancy: Your Pregnancy for the Father

Explanations were in a understandable format. A supportive spouse should acknowledge that fact. Although most attention is directed toward the mom-to-be, the nine months of pregnancy are an exciting, moving -- and, yes, occasionally stressful -- time for the expectant father as well.

Dads' guide to pregnancy

And don't worry that you do things differently than your spouse — every parent does things differently, and it's a difference that your baby will love. This book was a huge help in understanding what my wife is going through and what I need to do to help get ready for our child. It sometimes happens that fast, but not usually.
