Aren't newer translations based on a better Greek text?

The text is Nestle-Aland, the 26-th edition.

Read the Bible text :: academic

The text of Catholic Epistles now incorporates the text-critical insights of the Editio Critical Maior ECM of the Greek New Testament—the most recent scholarly research in establishing the Greek text. Evangelicals ought to be more discerning and reclaim the biblical mandate to be its own custodian of the inspired, infallible and inerrant preserved words of God. The INTF is to be congratulated for its immense labours in producing what is arguably the single most useful volume for NT studies of all time.
