Citation The following as per The Chicago Manual of Style, 17th edition is the preferred citation for articles: Daniel C.

**Plains Indian Sculpture: a Traditional Art from American's Heartland (John C. Ewers)**

Stylistic approaches in the various works also differ, from strongly representational to highly conceptual and abstract. Ryntha Johnson served as an assistant curator for a time before moving on to positions at the St.

**Quillwork: A Vanishing Native American Art**

The Sioux used some of the buffalo skin to make art designs to tell stories of the tribe with pictures. The great art of the was basketry; no other people in the world has produced such a wide variety of superb basketry. The art depended upon a weaving frame, which allowed the manufacture of long strips, useful for necklaces, belts, panels, and headbands.

## **Indian Sculpture: A Traditional Art from America's by George P. Horse Capture**

The ritual instruments and personal accessories used by church members provided an important arena for the developing innovative techniques and new genres of traditional arts. Stylized ivory amulet from the Dorset culture, found in Labrador or Quebec, Canada.
