Cape of Good Hope

Fra Mauro also comments that the account of the expedition, together with the relation by of the travels of from to through the southern Ocean in , led him to believe that the was not a closed sea and that could be circumnavigated by her southern end Text from Fra Mauro map, 11, G2.

Cape Fear River Adventures

Original Book: 156 pages This is the second book in the Drovers Road Collection. When flowering, however, and attract , , and other species in search of nectar. According to the legend, crewed by tormented and damned ghostly sailors, it is doomed forever to beat its way through the adjacent waters without ever succeeding in rounding the headland.

Cape Fear River Adventures

They had escaped from France and fled to the Netherlands to flee religious persecution in France. The Khoikhoi had arrived in this area about fifteen hundred years before.

Cape of Good Hope

Thus one can believe and confirm what is said by both these and those, and that they had therefore sailed 4,000 miles.

Cape of Good Hope
