Full text of philosophy. The Bhagavad gita; or, The sacred lay. A. Sanskrit philosophical poem. Translated, with

The moment you give what people call expression, you destroy the typical characters of heads and degrade them into portraits which stand for nothing.

Special Edition

Gita's message of Hope Above all, Gita is a gospel of hope and optimism. The result of thirty-five years of inquiry, reflection, and speculation, and that on subjects as full of fascination as of food for thought.

Special Edition

Anthony Beavers, University of Evansville, Indiana. Davies's lucid interpretation it would be difficult to appreciate these points in any adequate manner. But one can become free from the bonds of desire and duality if one uses the mind and senses in the service of the Lord.

360 idées de Siddharta

UNITY OF THE DIDACTIC AND THE NARRATIVE PARTS OF THE EPIC 152. Such a wide choice of methods does not exist in any other system, religion, or way of life.

Editions: The Bhagavad Gita by Anonymous

Unifying this book is the sacred process of transforming toxic emotions into sources of power and grace.

Port Manteaux Word Maker

DEVOTION BY WORK 47 IV. For example, Damayanti's devotion, tinged with unfailing fidelity, succeeds in saving her husband, king Nala, from the demon of gambling. He unsuccessfully planned several foul plots to kill the Pāndavas and take away their kingdom.

Shri Saraswati Plays Her Celestial Veena

Reason is powerless to grasp the nature of the beginningless Absolute. Atma takes a childhood body, a youth body, and an old-age body during this life, then takes another body after death. Rooted in the ancient Indian genius, this third way can only be practised by those who have risen above egoism, above asuric ambition or greed.

Ekknath Easwaran The Upanishads The Bhagavad Gita The Dhammapada Book Lot of 3

The desire to serve others is a noble desire. Know that Spirit Atm ā by which this entire universe is pervaded is indeed indestructible.
