## Curriculum

Might be an idea for you to mention a list  
of names as I did in a previous post. The

church and school in the year 1848 met in a small chapel near the Green, the entrance facing to Newton Road.

## Rushden Research Group: Churches

In conjunction with teachers of the Old Baptist School and Church of England School, a canvass of the village was arranged with the object of finding the number of children in Rushden. The teachers in the seniors I remember were, Headmaster Mr Robinson what a disciplinarian he was Mr Godfrey my teacher ,Mr Barden,Mr Sherbrook,Mr Healey and Mr Thorpe.

## Old Sharrow School to be demolished

I realise that moving on means that the building will be lost, as it was from what I understand uneconomical to bring it up to the standards required for accessibility, etc. Did you go on Rony's show today? Just about to Google ' Sharrow Lane School ' and see what there is. Please PM me with details.

## **Rushden Research Group: Churches**

It is interesting to note that on April 7th of that year it was decided that superintendents and teachers not in their places at the time appointed for opening school be fined teachers 1/2d.

## **Sharrow Vale Wesleyan Reform Church**

Wesley Bible Curriculum Wesley curriculum is the choice of growing Sunday schools that value the holiness doctrinal distinctives and the mission to evangelize and disciple generations for Christ! Or maybe not, who knows? At about this time and it is surely worthy of special mention an evening school was held by teachers of the Sunday School who were interested in education. Understand that spiritual formation is a lifelong endeavor; it requires intentional instruction, modeled behavior, reinforcement from home and open hearts and minds. I believe there is an initiative starting to enable former pupils to revisit the premises and obviously relive some lovely memories.
