Circus Animal Welfare • MSPCA

On Friday 22 July 2011, all of Cold Chisel's albums were re-released as remastered 'Collector's Editions'.

Ringling Brothers Circus Closing: What Happens to Animals?

These individuals also use various torture implements to inflict Circus Animal cruelty by forcing the animals to behave in the way they want. Trainers are also known to drug animals and pull their teeth and claws out to make them more manageable.

Circus Animal Cruelty

Mostly they are seen as a group performance where 4 — 5 dogs will come and perform with the master.

15 Reasons the Use of Circus Animals Must Be Banned

To the untrained eye, this is pretty fantastic to observe. As these animals are wild animals they can get angry at any time and cause harm to the audience.

Circus captivity is beastly for wild animals

It wasn't the first time Tilikum killed someone, either.

The Circus Animals' Desertion by William Butler...

These are trained by well trained tamers to make them perform well. At first, the trainers build a bond with circus animals so that the animals will feel little comfort with the trainers.
