## Hutterite Families

The mother is allowed time off from her regular duties to attend to the needs of her newborn infant and to recover from the pregnancy. In Canada, as in many Western countries, the only religious holidays are of Christian origin, such as Christmas or New Year's Day.

## Difference Between Eastern and Western Culture

Although the kindergartens have been a key element in the philosophy of putting the community over the family in the raising of children throughout most of Hutterite history, these colonies are simply not organizing them. Publisher Information Founded in 1893, University of California Press, Journals and Digital Publishing Division, disseminates scholarship of enduring value.

## The culture shock of Western Canada

The contemporary crisis of science as-a-whole is inseparable from the global crises with which so many thoughtful people are concerned today. The Cree, in particular, were prepared to transition into a farming economy — ideally on their own terms — and provision was made for farm instructors to be sent out from Ontario.

## Cultural differences in moral judgment and behavior, across and within societies

The three next largest Protestant denominations, each more than 600,000 strong, have also suffered significant decline in membership. It is estimated that about 17 percent of all Canadians are bilingual—English and French—though these numbers are a regionalized phenomenon and do not necessarily represent the country as a whole. Asian Buddhist Communities in Toronto 1999 ; Daniel A.

## Cultural differences in moral judgment and behavior, across and within societies

For, despite the inroads of secularization, an evident crisis of religious commitment and an expanding non-European presence in its population, Canada undoubtedly remains remarkably Christian in a broad sense of that term Statistics Canada, 1993; Maclean's, 1993. A Canadian green

transition is significant globally given its high energy production, exports, and internal use.
