### Shion

The Executive and Judicial branches were allotted their own specific spheres of authority under the Constitution; but the precise relationship between the Legislative and the Executive was left—almost certainly by design—ambiguous. Ø due raccolte principali, sono Ambarvalia 1933, ripubblicata con sostanziali modifiche nel 1947 e Tabibito kaerazu Il viandante non ritorna, 1947. This intense economic competition between the various independent clan economies did not just spontaneously evaporate with the setting up of the Meiji government or even with the abolition of the clans in 1871.
